1. Date: 2002-08-26 / 2002-08-27
2. Place: The demos will be held in the Taipei Howard International House (<http://3w.howard-hotels.com/>), Taipei (<http://www.taipei.gov.tw/>)

Your demo space is limited by the booth space.
4. Equipment: You will need to prepare all equipment needed for your demonstration except for the power supply and Internet connection (if requested). Please check whether your equipment is compatible with Taiwan's power supply (110 Volt/60 Hertz). Since the power sockets used in Taiwan (see below) may be different from that used in your country, please carry the compatible plug adapters.
