

## PERMISSION TO PUBLISH

### COLING 2002 – Proceedings of the 19<sup>th</sup> International Conference on Computational Linguistics

---

TITLE OF PAPER

---

AUTHOR(S)

The undersigned (herein “the Author”), desiring that the above paper appear in a publication of ACLCLP (herein “the Publisher”), hereby grants non-exclusive permission to the Publisher to prepare and publish the paper in a volume tentatively entitled, *COLING 2002 – Proceedings of the 19<sup>th</sup> International Conference on Computational Linguistics*, and to republish the material in print, electronic, and any other media for sale throughout the world, in this and all future editions, in all languages.

The Author retains copyright, right to transfer the copyright to other parties in the future, right to use any and all portions of the work in future publications by the Author, all proprietary rights (patent rights, etc.) and all other rights.

The Author warrants that he/she is the author and/or proprietor of this contribution, and has full power to make this agreement, and that he/she has not granted or assigned any rights in the work to any other person or entity that would interfere with this grant of permission.

If the Author has previously granted copyright in this work to another person or entity, the Author must receive explicit permission from the copyright holder for publication of the paper in the above volume, and said permission is attached to this document.
